How do I open and manage my account?

Our business accounts are available to businesses that have been registered in the UK for at least 3 years and are registered with HMRC to pay tax in the UK.

We require personal details (name and date of birth) and residential addresses for all applicants (business directors, members, shareholders and other users connected with the account). All applicants must be aged 18 or over, UK residents and liable to pay tax in the UK.

The business must not be engaged in any of the following activities: oil or gas production; leather tanning; manufacturing, dressing or dyeing of fur; armaments; defence activities; wholesale or recovery of waste or scrap; banking or credit; trade finance; insurance or pensions activities; gambling or betting activities.

Applications to open an account must be completed [online](#) through the savings page on our website.

Minimum deposit required to open an account: £10,000.

Maximum deposit for each account: £1,000,000.

Maximum deposit that can be held across all OakNorth accounts: £1,000,000.

The account can only be funded with a single deposit payment. We cannot accept additional deposits into the same account during the term of the deposit.

Once opened, the account can be managed via the [‘My Account’](#) section of our website. Within online banking the main applicant can set specific roles for the individuals associated with your accounts. Roles are set per deposit account, please see the various roles and a description of each below:

1. No access – A user with the role ‘No access’ will be able to register for online banking, but will not be able to see account details or access the accounts unless they are given another role.
2. Read only – A user with the role ‘Read only’ will be able to see the deposit accounts, its transactions and generate statements for all accounts that they are read only on.
3. Signatory – A user with the role ‘Signatory’ will be able to see the deposit accounts, its transactions and generate statements for all accounts they are a signatory on. If the account is transactional, they would also be able to authorise transactions.
4. Admin – A user with the role ‘Admin’ will be able to see the deposit accounts, its transactions and generate statements for all accounts. They can also administer online banking, by creating new users, setting users roles, resetting users’ password and activation links, and enabling and disabling existing users.

It is possible to set multiple user roles for each individual, per account. However if a user is set as admin, they will be admin for all accounts by default.

Can I withdraw money?

No. This is a Fixed Term Deposit Account. The amount in the account becomes available at the end of the selected term.

30 days before your account matures, we will send you an email asking if you want to:

- Reinvest the full or partial balance in a new OakNorth Business Deposit account. Any remaining balance will be transferred back to your nominated account.
- Return your full original principal investment and interest earned back to your nominated account.

If we do not hear from you before the account maturity date, we will transfer the total amount including interest to a variable rate Business Easy Access Deposit Account with us.

Additional information

Interest accrues daily and is applied to the account upon maturity.

Gross rate interest is the interest payable without subtracting tax.

The AER (Annual Equivalent Rate) illustrates the annual interest rate as calculated over the original principal and any interest accrued during the year, or the term of the deposit, whichever is shorter.
