OakNorth Bank plc is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. (Financial Services Register number: 629564). Registered Office: 57 Broadwick Street, London, W1F 9QS. Registered in England No. 8595042.

How do I open and manage my account?

Our accounts are available to individuals, aged 18 or over, who are UK residents (i.e., England, Wales, Northern Ireland and Scotland). Also, you must have a personal UK bank or building society account that allows transfers to be made to and from it.

Applications to open an account must be completed through our website here or via the OakNorth mobile banking app. Please note, joint accounts can only be opened through our online application on the website and not through the mobile app; the maximum number of account holders in a joint account is two.

The minimum deposit required to open your account is £1. The maximum deposit you may pay into any one account with us is £500,000. The maximum amount (excluding the interest) that you will be allowed to hold on deposit with us across multiple accounts is also £500,000. For a joint account (joint accounts can only be opened through our online application on the website and not through the mobile app) this means that the maximum amount allowed to be held would be £1,000,000 i.e., £500,000 per account holder.

You can fund your account with multiple deposit payments within 14 calendar days from the day your account is approved. The minimum deposit is £1. Once the 14calendar day period expires, you will not be able to make any further deposits into the account. In the event you do not fund your account within the 14-day period, your account will automatically be closed.

Once you activate online banking, your account can be managed by logging into the OakNorth mobile banking app or through the 'My Account' section of our website. Alternatively, you can contact us by email, by phone, or by writing to us. Please refer to our website for our contact details.

Can I withdraw money?

No, our Fixed Term Deposit Accounts do not allow for funds to be withdrawn during the term of the deposit. We may at our discretion allow it in cases of hardship at our sole discretion, which would require suitable documentary evidence. Interest will be calculated on the total amount until, but not including the day of the withdrawal

We will contact you 30 days and 14 days by email before your account matures to inform you of the options available as follows:

- Transfer the whole of the account balance (principal and interest) to the nominated UK bank account you used to fund your account,
- Reinvest the principal in another available deposit product with us, and transfer the interest accrued to the nominated UK bank account you used to fund your account,
- Reinvest the account balance (principal and interest) in another available deposit product with us adhering to the maximum limit permitted in OakNorth Bank savings accounts, or
- Reinvest a portion of the principal to be specified by you in another available deposit product with us and have the remainder of the principal and interest paid in the nominated UK bank account you used to fund your account.

If we do not receive your instructions before the account maturity date, the total amount including interest will be automatically transferred to a variable rate Easy Access Deposit account with us. See our Easy Access Deposit account page on our website for the current interest rate.
