How do I open and manage my account?

Our accounts are available to individuals, aged 18 or over, who are UK residents (i.e. England, Wales, Northern Ireland and Scotland). Also, you must have a personal UK bank or building society account that allows transfers to be made to and from it.

To reinvest your savings with us, log in to online banking [here](#) or via the OakNorth mobile banking app.

The minimum deposit required to reinvest into a new account is £1. The maximum deposit you may pay into any one Account is £500,000. The maximum amount (excluding the interest) that you will be allowed to hold on deposit with us across multiple accounts is also £500,000. For a joint account (joint accounts can only be opened through our online application on the website and not through the mobile app) this means that the maximum amount allowed to be held would be £1,000,000 i.e. £500,000 per Account holder.

There is no limit on the number of deposits made into your account. The minimum deposit is £1. The account can continue to receive deposits up to the maximum principal account balance even if the product is withdrawn. We may withdraw a Notice Account issue at any time which means that the product will be closed to new deposit applications.

Once you activate online banking, your account can be managed by logging into the OakNorth mobile banking app or the [‘My Account’](#) section of our website. Alternatively, you can contact us by email, by phone, or by writing to us. Please refer to our website for our [contact details](#).

Can I withdraw money?

Yes. Although, it is subject to giving us notice as per the type of account opened. Withdrawals can be triggered via Online Banking or the mobile app. You can also contact us by email or phone. It is not possible to withdraw money from the account without providing the mandatory period of notice. We may at our discretion allow it in cases of hardship at our sole discretion, which would require suitable documentary evidence. Interest will be calculated on the total amount until, but not including the day of the withdrawal.

There are no limitations on the number of withdrawals. There is a minimum withdrawal amount of £1. The funds will be credited back into your nominated account the next business day after the notice period has passed.
